Spring 2025

ISSUE 8

It is lovely to be welcoming in Spring! With the sun making an appearance and bulbs popping up—a great time for planning for the year ahead!

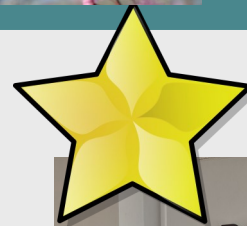

Celebrating Success

Positive Horizons have always been proud of the people we support's successes—there are so many obstacles people overcome daily. We realise that the small achievements can take a lot of effort and perseverance and deserve marking as a significant accomplishment. We have started giving regular certificates at our awards ceremonies in recognition of achievements in people's lives—big and small.

Huge congratulations to all!

We think you are all amazing!

You asked for....

We have put together a plan of activities for 2025 based on what the representatives brought forward at their last meeting. There has so far been a group trip to the cinema—Bridget Jones was a big hit. And a private tour of Pride Park Stadium was enjoyed by all! There are lots more upcoming activities!

Also requested at our Non-Executive meeting was an accessible First Aid course.

We asked Steve at Bespoke Care & Training and he delivered a tailor made course that was hands on, informative and fun. Well done to all that decided to take part.

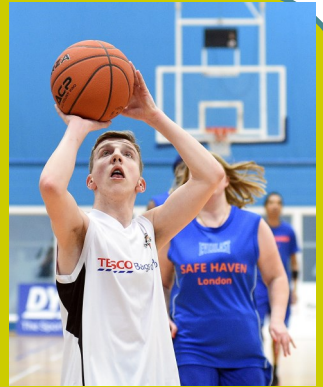

A really important life skill for all to have the opportunity to learn. The skills are invaluable.

All did amazingly well taking part... we are all in safe hands now!

Darran has started a new voluntary job at a café and is doing incredibly well. He's working hard and enjoying his new job. Well done Darran!

Well done to all that took part Disability Opportunities in Sport UK x Special Olympics Great Britain Basketball Series event in Cardiff in March. Teams from all around the UK and Ireland took part. We are very proud to be one of your sponsors—congratulations all!

A very warm welcome to our new staff Annie and Simon. We hope that you are settling in well.

And a thankful goodbye to Grace and Alice - thank you for all of your hard work and we wish you well.

Makaton is a communication system that combines signs, symbols and speech to aid understanding and learning language. It is a vital communication tool for many and we are pleased to say a group of our staff have successfully completed Level 1 Workshop in Makaton.
